PREAMBLE

THIS AGREEMENT is executed by Woodbury County, hereinafter called "Employer," and Woodbury County, Iowa, Deputy Sheriff's Association, hereinafter called "Association".

ARTICLE I **Definitions**

Section 1: A part-time employee is a person who is hired for a period of twenty (24) hours per week, or less.

Section 2: A temporary employee is one who is hired for a period of one hundred twenty (120) consecutive calendar days, or less.

Section 3: Part-time employees and temporary employees are not included within the bargaining unit, are not entitled to any of the benefits of this Agreement, and shall not become regular employees unless first hired as permanent employees. If a permanent employee has previously attended and successfully completed training at the Iowa Law Enforcement Academy, or a regional training facility certified by the Director of the Iowa Law Enforcement Academy, they will have a probationary period of six (6) months from date of hire. If the employee has not attended the Iowa Law Enforcement Academy or a regional training facility certified by the Director of the Iowa Law Enforcement Academy, they will have a probationary period of one (1) year from their date of hire.

Section 4: A permanent employee is one who is hired as a permanent employee rather than for a part-time or temporary period or purpose.

Section 5: A probationary employee is one who has not completed a probationary period as described in Section 3 above. During the probationary period, such employee may be removed or discharged by the Sheriff without cause.

Section 6: A regular employee is an employee other than a temporary employee or part-time employee who has completed the probationary period.

Section 7: Except where the context clearly indicates otherwise, the word "employee," when used in this Agreement, shall be limited to mean "regular" employees.

Section 8: "Act" shall mean the Iowa Public Employment Relations Act as it may be amended from time to time.

Section 9: Whenever reference is made in this Agreement to the Sheriff, such term shall also include the designated representative of the Sheriff.

Section 10: The following hierarchy of classification will control throughout this contract, regardless of the order that is used in the various Articles of the contract: Deputy Sheriffs, Court

Security Staff, Corrections Staff, Civilian Process Servers.

ARTICLE II

Management Rights and Responsibilities

Section 1: In addition to all powers, duties, and rights of the Employer established by constitutional provisions, statute, ordinance, charter, or special act, the Association recognizes the powers, duties, and rights which belong solely, exclusively, and without limitation to the Employer, to-wit:

- (a) the right to manage the Employer's operations and to direct the working force;
- (b) the right to hire employees;
- (c) the right to maintain order and efficiency;
- (d) the right to determine, extend, or curtail the size and location of the Employer's operations and to determine the type and amount of equipment to be used;
- (e) the right to assign work, the right to determine methods and material to be used, including the right to introduce new and improved methods or facilities, and to change existing methods and facilities;
- (f) the right to create, modify, and terminate divisions and job duties;
- (g) the right to transfer, promote, and demote employees;
- (h) the right to discipline, suspend, and discharge employees for cause;
- (i) the right to lay off;
- (J) the right to determine the number and starting times of shifts, the number of hours and days in the workweek, hours of work, and the number of persons to be employed by the Employer at any time; and
- (k) the right to enforce and require employees to observe rules and regulations set forth by the Employer; provided, however, that these rights will not be used for the purpose of discriminating against any employee because of his membership or non-membership in the Association.

Section 2: The list of management rights set forth above is not exclusive and it is understood that except as specifically and expressly modified or limited by this Agreement, all of the rights, power, authority, and prerogatives the Employer had prior to this Agreement are retained by and reserved to it and shall remain within its exclusive control.

ARTICLE III

Association Rights and Responsibilities

Section 1: The Association recognizes its responsibilities as the exclusive bargaining agent of the employees within the bargaining unit and realizes that in order to provide maximum opportunities for continuing employment and fair compensation, the Employer must be able to operate efficiently and at the lowest possible cost consistent with fair labor standards. The Association, therefore, agrees to cooperate in the attainment of the goals and agrees to the following, to-wit:

- (a) that it will cooperate with the Employer and support its efforts to assure a full and fair day's work on the part of its employees;
- (b) that it will actively combat absenteeism and any other practice which restricts efficient operations of the Employer; and
- (c) that it will earnestly strive to improve and strengthen goodwill between and among the County and its employees, the Association, and the public.

Section 2: The Employer will not interfere with the right of its employees to become members of the Association. The Association will not interfere with the right of the employees to refrain from Association membership. There shall be no discrimination by the Employer or the Association because of membership or non-membership in the Association. The Association agrees that neither it nor any of its officers or agents will engage in any Association activity which will interrupt or interfere with the operations of the Employer.

Section 3: The Association may appoint a representative to receive, investigate, and process an alleged grievance. If the nature of the grievance involves possible irreparable harm to an employee, the representative may be authorized by the Employer to leave the representative's regular work area for the purpose of investigating a grievance; the representative shall obtain permission to do so from the supervisor, which permission shall not be denied unreasonably.

Section 4: A representative shall suffer no loss of regular pay for the normal work shift when properly excused by the supervisor. Such time spent investigating grievances shall be kept reasonable and commensurate with the issue involved. Normally, such time will not exceed one-half (1/2) hour.

Section 5: The name of the representative shall be furnished in writing to the Sheriff and the Human Resources Director, and a representative may not act in that capacity until the name is so furnished. Any change in the designated representative must be promptly reported in writing.

ARTICLE IV **Work Stoppage**

Section 1: The Employer agrees that during the term of this Agreement, it will not engage in any lockout of its employees.

Section 2: The Association agrees that neither it nor its officers or agents will cause, authorize, induce, encourage, instigate, ratify, condone, or participate in any work stoppage, strike, slowdown, or illegal picketing, including a refusal to cross any picket line or any other action which interrupts or interferes with the operations of the Employer.

Section 3: No employee shall cause, authorize, induce, encourage, instigate, ratify, condone, or participate in any work stoppage, strike, slowdown, or illegal picketing, including a refusal to cross any picket line or any other action which interrupts or interferes with the

operations of the Employer.

Section 4: In the event of a violation of any section above, all legal censures of the Act shall apply.

ARTICLE V

Check Off

Section 1: The Employer will make monthly deductions from the wages of each employee covered by this Agreement who has provided the Employer with a written authorization therefor for monthly Association dues and initiation fees in the amounts certified in such authorizations and remit such moneys to the Treasurer of the Association not later than the fifteenth (15th) day of the succeeding month. Any such authorization may be revoked by an employee at any time upon thirty (30) days' written notice to the County and to the Association and shall automatically be canceled upon termination of employment. The Association agrees to indemnify and hold the Employer harmless against any claim or liability arising out of the operation of this Article.

ARTICLE VI

Seniority

Section 1: For purposes of seniority, employees shall be classified as follows: Deputy Sheriffs, Court Security Officers, Correctional Officers and Civilian Process Servers. Seniority is defined as an employee's length of continuous service with the Employer from the employee's most recent date of hire within the above classifications. Seniority shall not carry over from one classification to another, except when otherwise specifically provided for in this contract. When two (2) or more employees have the same date of hire, their seniority shall be determined by the flip of a coin.

Section 2: The seniority records for employees shall be maintained by the Employer and shall be available to the Association upon request. Any protest as to the correctness of the list must be made in writing to the Employer within thirty (30) days after the list has been given to the Association.

Section 3: The seniority of an employee shall terminate if the employee quits for any reason, including retirement; is discharged; fails to report to work within ninety-six (96) hours after written notice of recall is mailed to the employee's latest-advised current address; or is laid off for a period exceeding thirty-six (36) months, or his seniority, whichever is lesser.

Section 4: An employee promoted from the bargaining unit shall retain but shall not continue to accrue seniority.

Section 5: An employee shall accrue seniority within an employee's classification to be used in case of staff reduction and/or shift bidding.

ARTICLE VII

Procedure for Staff Reduction

Section 1: For purposes of staff reduction, employees shall be classified as follows: Deputy Sheriffs, Court Security Staff, Corrections Staff and Civilian Process Servers. Layoffs shall take place within these classifications.

Section 2: In the event the Employer determines that employees in a classification must be laid off, employees in such classification shall be laid off in order of seniority.

Section 3: An employee to be laid off will be notified as soon as possible. A laid-off employee shall advise in writing the Employer of his/her current address during layoff. Recall of employees shall be within classifications. If the Employer desires to recall an employee, such employee shall be recalled in the inverse order of layoff. Recall rights shall be limited to thirty-six (36) months from the effective date of the employee's layoff.

Section 4: An employee or employees who are laid off from their classification shall have the option to move to the next lower classification (as defined in Article I, Section 10) and displace the least senior employee in the lower classification. Any employee who is "bumped" using this procedure also has the option to move to the next lower classification and displace the least senior employee. Employees have five (5) working days after they receive notice that their current position is being eliminated or bumped, to notify the employer in writing that they intend to use this bumping procedure. The employee moving to the next lower classification shall be placed in the closest comparable pay grade that is not higher than their existing pay grade. An employee who uses this bumping procedure, shall have unlimited recall rights, but shall accrue seniority only in the classification they bumped into and their advancement in the new classification shall be controlled by rules governing their new classification. The only exceptions to this will be that a Deputy who bumps down will continue to accrue seniority in the lower classification toward advancement to Senior Deputy and Master Deputy, if they regain Deputy status within five years of bumping to the lower classification. If a Deputy who bumps to a lower classification stays in that classification for more than five years, the time spent in the lower classification shall apply only to advancement in the lower classification. If a court security person bumps into the corrections classification, they will continue to accrue seniority toward Senior and Master classifications in court security and corrections, since the pay is identical.

ARTICLE VIII

Hours of Work

Section 1: The Employer shall establish and post the hours of work for each shift as determined by the Employer to best provide the services to be rendered and to accommodate the public being served. It is understood and agreed that the operation of the Sheriff's office and the jail are continual, non-stop operations. When an employee is in active pay status, the employee will be paid for 80 hours bi-weekly pursuant to the terms of Article XXI, Section 1. The employee will also be paid for any daily overtime accrued pursuant to Article IX. This will occur

even if the employee, because of shift schedules, has worked less than 80 hours in the bi-weekly pay period. It is agreed that if an employee terminates for any reason and at the time of the termination he/she has been paid for hours not worked, the employee will within thirty days repay Woodbury County for any hours paid but not worked. The regular work day for Court Security Officers, and for other employees who are similarly situated, shall be eight and one-half (8 1/2) hours including a half hour (1/2) paid lunch period. It is understood that employees may be required to work during their lunch period.

Section 2: Each schedule shall provide that an employee is given one (1) weekend off per month or two (2) consecutive days of the employee's choice as approved by the Employer.

Section 3: It is understood and agreed that the determination of the daily and weekly work schedules for all employees may be changed by the Employer from time to time to meet the Employer's requirements. It is also understood and agreed that the Employer shall have the right to reduce, extend, or maintain the hours of work for any employee, and the employee shall be required to work at times as scheduled by the Employer. The Employer shall give the Association as much advance notice as possible of any major change of working condition, but in any event the Employer shall give the Association at least ten (10) days' such notice, except in the case of an emergency. Emergency for purposes of this section shall be defined as the imminent danger to life, limb, or property in which summoning of aid is instituted for the preservation thereof and shall include a jail shakedown. An emergency shall not be construed to facilitate involuntary transfer of work assignments.

ARTICLE IX

Overtime & Holidays

Section 1: Overtime is all time properly authorized or approved by the Employer and worked by the employee in excess of the normal daily work schedule as posted. It shall be determined in units of one-quarter (1/4) hour or more of time worked in excess of the regularly-scheduled hours of work.

Section 2: All overtime work shall be held to a minimum consistent with efficient operation and provision of essential services. When overtime work is required, each employee is expected to be available for such assignment.

Section 3: Overtime work shall be paid at one and one half (1 1/2) times the employee's regular hourly rate and shall be included in the paycheck for the period when it is worked. Upon mutual agreement between an employee and the Sheriff, the Employer may grant time off at the rate of one and one-half (1 1/2) times the overtime hours worked by the employee in lieu of overtime pay.

Section 4: An employee who appears in court pursuant to a subpoena or order when not regularly scheduled to work shall receive a minimum of three (3) hours of paid overtime, or three (3) hours of compensatory time, at their discretion.

Section 5: The provisions of this Article shall be construed and implemented consistent with the provisions of the Fair Labor Standards Act.

Section 6: Subject to and in accordance with the provisions of this article, all regular and probationary employees shall be granted holiday pay or a working day off for the following ten (10) holidays: Memorial Day, Independence Day, Labor Day, Veterans' Day, Thanksgiving Day, Friday after Thanksgiving Day, either the day before Christmas Day or the day before New Year's Day, Christmas Day, New Year's Day and Martin Luther King, Jr.'s Birthday.

Section 7: Shift employees are employees who work in a classification where it is required that there be employees on duty seven (7) days per week, twenty-four (24) hours per day. For Deputy Sheriff shift employees, the holiday will begin at 7:00 a.m. on the day of the holiday and shall end at 7:00 a.m., twenty-four (24) hours later. For jailer shift employees, the holiday will begin at 8:00 a.m. on the day of the holiday and shall end at 8:00 a.m. twenty-four (24) hours later.

Section 8: If a shift employee is scheduled to work a holiday, that employee will receive two and one-half (2 1/2) times the regular hourly rate of pay normally paid to said employee. However, upon mutual agreement between the employee and the Sheriff, the employee may elect to receive pay at one and one-half (1 1/2) times the hourly rate and to receive one (1) working day of compensatory time.

Section 9: If a holiday falls on a shift employee's regular-scheduled day off, that employee shall be granted one (1) working day's pay at the employee's regular rate of pay.

Section 10: For non-shift employees, when one of the aforementioned holidays falls on a Saturday, the preceding Friday will be observed as a holiday, and if any aforementioned holiday falls on a Sunday, the following Monday will be observed as the holiday.

Section 11: In order to be eligible for receiving holiday pay or for obtaining a working day off, an employee, unless excused by the Sheriff, must report for work on the last scheduled workday before the holiday and on the first scheduled workday after the holiday. No employee who has been laid off or is under suspension will be eligible for holiday pay or for a working day off.

Section 12: Total compensatory time may be accumulated to a maximum of one hundred sixty (160) hours. Total compensatory time is calculated by adding regular compensatory time and what has been called holiday compensatory time (Section 8 above). After an employee has accumulated one hundred sixty (160) hours of total compensatory time, all overtime work shall be compensated in cash. An employee may accumulate and carry forward a maximum of one hundred sixty (160) hours of total compensatory time from one contract year to the next contract year. An employee whose current total compensatory time exceeds one hundred sixty (160) hours will not be allowed to accrue additional total compensatory time until their total compensatory time is below one hundred sixty (160) hours. Employees whose total compensatory time is above one hundred sixty (160) hours on July 1, 2004 will be given three (3) years, until July 1, 2007, to bring their total compensatory time below one hundred sixty (160)

hours. On July 1, 2007 employees will lose, without pay, any total compensatory hours in excess of one hundred sixty (160) hours. It is recognized that scheduling may make it difficult for some employees to bring their total compensatory time below one hundred sixty (160) hours by July 1, 2007, but no exceptions will be made.

ARTICLE X

Vacations

Section 1: Subject to and in accordance with the provisions of this article, paid vacations shall be granted to employees after continuous active service pursuant to the following schedule:

- (a) After an employee has been in the continuous active service of the Employer for one (1) year as of the anniversary of the employee's most recent date of hire, the employee shall be given forty (40) hours vacation with pay at the employee's regular hourly rate.
- (b) After an employee has been in the continuous active service of the Employer for two (2) years or more as of the anniversary of the employee's most recent date of hire, the employee shall be given eighty (80) hours vacation with pay at the employee's regular hourly rate.
- (c) After an employee has been in the continuous active service of the employer for eight (8) years (effective July 1, 1991, six (6) years) or more as of the anniversary of the employee's most recent date of hire, the employee shall be given one hundred twenty (120) hours vacation with pay at the employee's regular hourly rate.
- (d) After an employee has been in the continuous active service of the Employer for fifteen (15) years (effective July 1, 1990, thirteen (13) years) or more as of the anniversary of the employee's most recent date of hire, the employee shall be given one hundred sixty (160) hours vacation with pay at the employee's regular hourly rate.
- (e) After an employee has been in the continuous active service of the Employer for twenty (20) years or more as of the anniversary of the employee's most recent date of hire, the employee shall be given two hundred (200) hours vacation with pay at the employee's regular hourly rate.

Section 2: The purpose of a vacation is to enable the employee to enjoy periodic rest from the employee's regular job so that the employee may return to work refreshed. The vacation year will be the individual employee's anniversary date to anniversary date. Accordingly:

- (a) Employees may carry over a maximum number of vacation days which is equal to the amount of vacation accrual earned in the anniversary year just ended. Any vacation hours which exceed the maximum allowable carry over shall be deleted

as of the employee's anniversary date if they are not used.

- (b) No employee shall be entitled to vacation pay in lieu of vacation.
- (c) An employee whose services are terminated shall receive any vacation earned and not previously taken. Such vacation shall be taken before the employee is dropped from the payroll provided that no vacation may be earned on a pro rata basis until after the employee has worked the employee's first full year.

Section 3: So far as possible, each vacation will be granted at the time selected by the employee so long as it does not conflict with the operation of the Employer, provided that the final right to allot vacation periods and the right to change such vacation periods is reserved exclusively to the Employer acting by and through the Woodbury County Sheriff.

Section 4: In the event that a holiday falls within an employee's vacation period, such day will not be counted as a day of vacation.

ARTICLE XI

Leaves of Absence

A. Sick Leave

Section 1: Sick leave shall be used for personal illnesses and injury, including on-the-job injury or disability, subject to the provisions set out hereinafter. If an employee is injured while gainfully employed by a different employer who carried or is required to carry Worker's Compensation insurance, the employee may use accumulated sick leave to supplement payments from Worker's Compensation insurance. To the extent the employee has accumulated sick leave, the employee may receive the difference between the Worker's Compensation benefits the employee receives while unable to work and the amount the employee would have been entitled to as gross pay under this contract if the employee had been able to work.

Section 2: Employees shall be granted ten (10) hours of sick leave per month and shall have the right to accumulate unused sick leave up to a maximum of six hundred forty (640) working hours. An employee who has accumulated and maintains 640 hours of sick leave will be allowed to convert sick leave earned during the year to vacation at the rate of 4 hours of sick leave for 1 hour of vacation. An employee will cease to be eligible for this conversion any time their accumulated sick leave falls below 640 hours.

Section 3: Except in cases of serious confining illnesses excused by the Sheriff, sick leave will not be paid on the working day immediately preceding or following a holiday.

Section 4: The Employer reserves the right to require a physician's signature for any absence due to sickness.

Section 5: To be eligible for sick leave payment, an employee shall notify the Employer

as soon as possible but in any event prior to the starting time of the employee's workday. This notice may be waived if the Employer determines that the employee could not reasonably be expected to comply with this requirement because of circumstances beyond the control of the employee.

Section 6: No employee is entitled to compensation for unused sick leave time except to the extent specified in this section. Termination of service shall terminate any and all obligation of the Employer in connection with unused sick leave time. An employee who is retiring and has a minimum of 25 years of employment with the Woodbury County Sheriff's Office will be paid 15% of his/her accumulated sick leave up to a maximum of \$2000.00.

Section 7: During the first six calendar months of an on-the-job injury or disability incurred or suffered in the course of employment with the Woodbury County Sheriff's Office, an employee shall receive his or her regular pay as follows: the Employer shall pay the employee the difference between the Worker's Compensation benefits and the amount which the employee would have been entitled to as gross pay for the same period under the contract if there had been no Worker's Compensation benefit. No payments by the Employer under this section shall be charged against an employee's sick leave for this six month period.

Following the first six calendar months of an on-the-job injury or disability, sick leave may be used to the extent it is available. During a period equivalent to the employee's accumulated sick leave, the Employer shall pay the employee the difference between the Worker's Compensation benefits and the amount which the employee would have been entitled to receive as gross pay for the same period under the contract as if there had been no Worker's Compensation benefits, and sick leave shall be reduced accordingly. Proper deductions shall be taken from the amount paid to the employee by the Employer.

During any statutory waiting period, an employee may use sick leave to the extent it is available.

B. Funeral Leave

Section 1: An employee will be granted up to three (3) days funeral leave to attend the funeral of the employee's spouse, children or step-children, parents or step-parents, mother-in-law, father-in-law, brother, sister, brother-in-law, sister-in-law, grandparents, grandchildren, or permanent member of the immediate household.

Section 2: In special cases involving unusual travel or other unusual circumstances, the Sheriff may grant additional leave without pay.

Section 3: The Sheriff may allow an employee one (1) day of funeral leave with no loss of compensation to attend the funeral of members of the family not included above. He may also allow an employee the necessary time off without pay to attend the funeral of a fellow employee or of a close family friend.

C. Family Leave

An employee may be granted up to 120 hours of family leave per contract year chargeable to accumulated sick leave when it is necessary for them to provide care for a spouse, child or parent with a serious health condition. The employee requesting family leave will be required to provide a written statement of the reason family leave is needed and may be required to provide a physician's statement concerning the illness or injury of the spouse, child or parent. This leave shall be non-accumulative. If the leave is granted it may be treated as leave time under the Family Medical Leave Act. However, the Board of Supervisors shall not be bound by any of the terms, conditions or interpretations of the Family Medical Leave Act in deciding whether or not to grant the leave. The decision to grant or deny this leave is in the sole discretion of the Board of Supervisors or its designee after full consultation with the Sheriff. Any leave request which is going to be denied by the designee of the Board shall be presented to the Board of Supervisors and the employee will be invited to present his/her situation to the Board. The decision of the Board of Supervisors is final and is not subject to a grievance under the terms of this contract.

D. Personal Day

Section 1: Each employee will receive one personal day per contract year. Personal days will be scheduled by mutual agreement between the employee and the Department. Personal days shall not be carried over from contract year to contract year, nor shall they be granted, if unused, to any employee upon retirement, termination or discharge. No employee will be permitted to work his/her personal day.

ARTICLE XII

Adjustment of Grievances

Section 1: A grievance is defined as a dispute between an employee and the Employer concerning the interpretation, application, or violation of the express terms of this Agreement. Should an employee have a grievance, it shall be adjusted in the following manner:

Step One: An employee who claims a grievance shall present such grievance orally, with or without this steward, to his supervisor within five (5) working days after the occurrence upon which the grievance is based. The supervisor shall give his oral answer to the grievance within three (3) working days after the grievance was presented to him.

Step Two: If the grievance is not settled in Step One, it may be appealed by the employee and his steward within five (5) working days after the answer of the supervisor. The grievance shall be reduced to writing, signed by the aggrieved employee and the steward, and shall state the facts and the specific section of this Agreement alleged to have been violated and the remedy or relief sought. The written grievance shall be promptly submitted to the Sheriff or his designated representative who shall give his answer in writing to the employee and steward within five (5) working days after the grievance has been presented to him.

Step Three: If the grievance is not settled in Step Two, it may be appealed to arbitration by the Association by written notice of a request for arbitration submitted to the Sheriff within seven (7) calendar days after the receipt of the Employer's Step Two answer. Said written notice shall be signed by a representative of the Association, shall state the facts and the specific section of this Agreement which is to be considered by the arbitrator, and the remedy or relief sought. When a timely request has been made for arbitration, a representative of the Employer and a representative of the Association shall select a mutually-agreeable arbitrator to hear and determine the grievance. If the representatives of the parties are unable to agree upon the selection of an arbitrator within ten (10) calendar days of the Employer's receipt of the arbitration notice, the parties shall jointly request the Federal Mediation and Conciliation Service to submit a list of five (5) arbitrators. Upon receipt of the list, the parties' designated representatives shall determine by lot the order of elimination and thereafter each shall, in that order, alternatively strike a name from the list, and the fifth and remaining person shall act as the arbitrator.

Section 2: The failure of an employee, the Association, or its representative to appeal a grievance to the next step within the applicable times specified above shall bar an employee, the Association, or its representative from appealing the grievance further, and any such grievance shall be considered as settled.

Section 3: The failure by an employee, the Association, or its representative to process a grievance within the applicable times specified above shall bar an employee, the Association, or its representative from further pursuit of the grievance, and any such grievance shall be considered as settled. The failure by the Employer to reply within the applicable times specified above shall be deemed a denial of the grievance which may then be appealed to the next step.

Section 4: An arbitrator selected pursuant to the provisions of step Three shall schedule a hearing on the grievance and, after hearing such evidence as the parties desire to present, shall render a written opinion and award. The arbitrator shall have no authority to hear or determine wage or fringe benefit adjustments nor to add to, subtract from, modify, or amend any terms of this Agreement. The arbitrator shall have no authority to substitute his discretion for that of the Employer in any matter reserved to the Employer by law or by the terms of this Agreement. A decision of the arbitrator, within the scope of his authority, shall be final and binding upon the Employer, the Association, and the aggrieved employee(s). The arbitrator may not hear more than one grievance unless the presentation of more than one grievance is mutually agreed to by the Employer and the Association.

Section 5: The arbitrator shall not have power to accept or decide any grievance which involves a matter within the jurisdiction of the Civil Service Commission (Iowa Code Chapter 341A).

Section 6: The Employer and the employee will share equally any joint costs of the arbitration procedure, such as fees and travel expenses of the arbitrator, and the cost of a hearing room and transcript. Any other expenses shall be paid by the party incurring them.

ARTICLE XIII
Insurance

A. Medical and Hospital Insurance

Section 1: The Employer shall pay the full cost of the employee's personal premium for Hospital and Medical Care Insurance.

Section 2: The employee may elect to cover the employee's family, and the Employer will pay one hundred percent (100%) of the premium for said family coverage.

Section 3: Coverage of an employee will commence at such times as may be set out in the policy, and an employee will be covered only in accordance with and to the extent provided under the terms of the policy.

Section 4: The Hospital and Medical Care Insurance provided herein shall be a comprehensive plan of insurance which provides for 80%/20% coinsurance and a deductible.

An employee's actual out-of-pocket expense per calendar year shall be limited as follows:

Deductible The first \$100 of covered expenses for single coverage
 The first \$200 of covered expenses for family coverage

Coinsurance 20% of all remaining covered expenses for single up to \$2,000
 20% of all remaining covered expenses for family up to \$4,000

Preventive benefits will include yearly routine physicals, including mammogram, pap smear, prostate exam, blood tests and other routine tests which can be done in the doctor's office. Annual maximum \$225.00 with an annual co-pay of \$20.00 for the preventive health items. Out of network providers are not included.

A1. Medical and Hospital Insurance (Effective July 1, 2008 Section A1 will be substituted for Section A above.)

Section 2: On July 1 of each year, the Employer shall post a list of all assignments in each classification and shall designate the shifts during which such assignments are to be performed. Employees with two (2) years or more seniority shall then have ten (10) calendar days to designate their choice of shift assignment within their classification, and deputy sheriffs may only designate a choice of shift assignment within their assigned division. In the case of a conflict between designated choices, seniority shall govern. At the end of said ten (10) calendar day period, the Employer shall notify all employees of their shift assignments on the basis of the employees' existing assignments and designated choices. Deputies who have completed a three year assignment in one of the following Divisions - Civil Division, Investigation Division and Community Policing/Crime Prevention Division – can request a transfer out of their current Division. No more than fifty percent (50%) of the deputies assigned to a classification/division may transfer in the same year. If the number of transfers requested exceeds fifty percent (50%) of the deputies assigned to a classification/division, seniority governs.

Section 3: If a vacancy occurs during the remainder of the contract year, employees within the classification, and for Deputy Sheriffs within the division, where the vacancy has occurred shall be permitted to request a transfer to the vacant shift assignment. This transfer right shall be limited to employees with two (2) or more years seniority. In the event that two (2) or more employees request a transfer, the conflict shall be resolved on the basis of seniority.

If there are less than two (2) female jailers or if there are no identification officers on a shift, the Sheriff shall have the right to involuntarily transfer the least senior female jailer(s) or identification officer to that shift.
